INTERIOR

A high-angle, black and white photograph of a car's interior. The focus is on two leather seats with a dark fabric insert on the lower backrest. The seats feature prominent stitching and are set against a light background, possibly a window. The overall aesthetic is clean and modern.

IMPRESSIVE FEATURES

Crafted with unmatched quality to provide you with a feeling of confidence

- Seats made with best materials to ensure your comfort
- Strong lines of new generation design
- A different driving experience underlies the quality and durability

Stylish flat-bottom steering wheel with multi-function steering controls

Driver focused center console with all functions right at your fingertips

Multi-layered cluster indicating different drive modes & all necessary vehicle information
